

*How do we cope with an ever-aging population? What will it take to eradicate poverty? Why can't we find better treatments for cancer?*

These are just a few examples of substantial questions on which depend the well-being of millions.

The Friends of King's College London Association, Inc. have determined that they would like to support the World questions | KING'S *answers* campaign. Please support our appeal today.

Why King's? *We are convinced that the College and its health partners can make a major difference.*

We have launched a fundraising campaign to raise £500 million by 2015 for life-changing work at King's College London and King's Health Partners.

KHP is comprised of Guy's & St Thomas' Hospitals, King's College Hospital and South London & Maudsley NHS Foundation Trusts and King's College London.
